THE LIBERTY LIFT™

ITEM # F-091LLB

Keep your lift looking new with the addition of a protective cover Item # F-442PPC

The Total Solution for Pool and Spa Access

The newly redesigned Liberty Lift is a commercial grade platform lift that now comes complete with a swivel pedestal seat. This lift is battery operated and made with stainless steel and powder coated for protection against the elements. The Liberty Lift does not intrude into the pool unless in use and easily folds up at deck side. The Liberty Lift is an ideal addition to any rehabilitation facility.
