The Portable Pro Pool Lift™

Want the same great features, but don't want to anchor the unit to the ground? Make it Portable!

No anchors required!

Just wheel the Portable Pro Pool Lift™ up to the poolside where you want it, tilt it forward onto the base and it is ready for use. This completely portable unit lifts up to 400 lbs (181 kgs) and has all the features and benefits our standard Pro Pool Lift™ has!

"I really like your lifts. They are compact and easy to install."

Dave F. (Commercial Pool Builder in New York)

Standard Features For Both The Pro Pool™ and Portable Pro Pool™ Include:

- Unique Low Profile Design
- All stainless steel construction
- Durable white powder coat finish
- 24-volt rechargeable battery operation includes charger
- Submersible 2 button remote handset
- Adjustable flip-up footrest
- Dual flip-up arms & adjustable lap belt
- 5 year structural & pro-rated electronic warranty

**Same Great Features...
Two Great Lifts!**

The Portable Pro Pool Lift™ Features Include:

- 400 lb (181 kg) weight capacity
- Maximum set back range is 11.5 inch (29.2 cm)
- Ship weight 1041 lbs.
- Ships common carrier in two separate shipments

The Swim Training Platform

IMPROVED DESIGN!

This light-weight and affordable training platform provides the ability to safely train youngsters how to swim. The raised floor is less intimidating and helps build confidence in the child and facilitates easier learning. Multiple units may be joined together for larger training classes. New thicker polypropylene platform decking offers slip resistance, greater durability, and increased weight capacity.

F- 250TTP The Swim Training Platform

The Swim Training Platform Features Include:

- 300 lb (136 kg) weight capacity
- 36"x60" grated decking platform
- Weighted ballast legs and removable rails
- Adjustable height legs from 16" to 21"
- Optional height adjustable legs
- The Swim Training Platform ships via common carrier ship weight 96 lbs (44 kgs)

Beach Access Chairs

This sturdy light-weight all-terrain chair allows easier access in sand, snow and other soft soils. Four balloon flotation tires give the chair extra stability that resists tipping. The unit comes standard with single motion park brakes, safety belt, storage bag and comfortable cushion seat. The chair quickly disassembles into three pieces for easy transport.

Beach Access Chair Features Include:

- Durable non-corrosive PVC construction
- 250 lb (113 kg) weight capacity
- Stainless steel hardware
- Anti-tip design
- Sliding Footrest
- 6' (1.8 m) 8 panel umbrella
- One year warranty
- Ship weight 160 lbs (73 kg)

F- 014BAC With 2 articulated wheels

F-013BAC With 4 Large Wheels

PVC Shower/Commode Chairs

The PVC Shower/Commode Chairs are a very sturdy, lightweight commode chair. They are designed to provide dignified, easy access to facility showers and commodes. Very sturdy construction and easy to maneuver.

Deluxe Chair Features Include:

- 300 lb (136 kg) weight capacity
- Width between arms 18"
- Seat depth 18"
- Clearance 17.5"
- Overall size 38.5"H x 22"W x 22.75"D (98x56x57 cm)
- Ships UPS

Extra Wide Chair Features Include:

- 400 lb (181 kg) weight capacity
- Width between arms 24"
- Seat depth 20"
- Clearance 18.75"
- Overall size 39.75"H x 28"W x 25.5"D (101x71x65 cm)
- Ships UPS
